Winery description

Satsnakheli was founded in 2013. However, the family's main activity was always grape production and wine making. Currently, the company owns 4.5 ha of vineyards planted with the grape varieties Saperavi, Rkatsiteli, Mtsvane, Khikhvi and Kisi. The company's goal is to produce high-quality traditional wines. Special care is given to maintenance of soil fertility by applying organic fertilizers only and by avoiding pesticides in plant protection. The quality of the harvest is strictly controlled and the yield is controlled as well as a too high production ...
