Weinbeschreibung

This is a balanced, elegant Saperavi wine, fermented in Qvevri with aromas of berry blossom, blackcurrant, licorice, plum, as well as some earthy tones, mushroom and sausage. Leichter, saftiger Rotwein mit intensiver Farbe, feiner Mineralik, reifen Gerbstoffen dabei trocken mit dichter Tanninstruktur.

Food recommendation

Zum gekühlten Rotwein gerilltes Hühnchen mit Ingwersauce in Mandelcreme leicht pikant frisches Fladenbrot und gebratenes Gemüse.
