Weingutbeschreibung

Limnos Organic Wines began in 2002 with the production of high-quality organic wines. Grown on rich soil and dynamic selection of vineyards in Limnos. The winery was founded by oenologist Giannis Savoglou with more than 20 years of experience in high-quality winemaking in Limnos and Muscat of Alexandria varieties. His partner Pantelis Tsioulas studied management and has experience with extensive experiments in wine production. The company philosophy is based above all on the charismatic Muscat of ...
