Weinbeschreibung

A line that embodies the greener soul of Tenute d'Italia, a perfect expression of the encounter between the love that binds us to our land and the passionate dedication that has always characterized our work from the vineyard to the cellar. Land and passion: minimal ingredients for pure, genuine, unforgettable wines.

Conseil de mariage de mets

Surprisingly good paired with main courses of fish with mediterranean herbs, tasty horsemeat tartare or oriental-style sweet and sour meats.

Vinification

Fermentation both in concrete and stainless steel tanks at controlled temperature up to 30 days; then subjected to malolactic fermentation.
