Weinbeschreibung

This wine benefits from a partial crio-maceration on the skins. The colour is an intense straw-yellow with greenishflecks. It has an excellent structure and minarality, fine and complex to the nose with scents of anise, pink grapefruit and pear; round, fresh and sapid with a certain persistancy to the palate.

Recomendado con el siguiente plato...

Matches perfectly with fish and fish starters, as well as raw meat, fresh goat cheese and Montebore.

Vinification

Grapes come from a vineyard with a land very rich in iron, they are overripe grapes and a part of the skins is left in the must, making a cryomaceration for a week. Fermentation lasts one week in stainless steel tanks at a controlled temper ...
