Maturazione:	Acciaio inox
Allergeni:	contiene solfiti
Temperatura a cui va bevuto il	12°C

Premiazioni

Gold ORGANIC WINE AWARD INTERNATIONAL 2021 - autumn

Weinbeschreibung

This wine benefits from a partial crio-maceration on the skins. The colour is an intense straw-yellow with greenishflecks. It has an excellent structure and minarality, fine and complex to the nose with scents of anise, pink grapefruit and pear; round, fresh and sapid with a certain persistancy to the palate.

Abbinamenti

Matches perfectly with fish and fish starters, as well as raw meat, fresh goat cheese and Montebore.

Vinificazione

Grapes come from a vineyard with a land very rich in iron, they are overripe grapes and a part of the skins is left in the must, making a cryomaceration for a week. Fermentation lasts one week in stainless steel tanks at a controlled temper ...
