Weinbeschreibung

A lively solais wine from the cool Swedish climate. It has a fruity, slightly aromatic, noticeably fresh taste with hints of apples, yellow gooseberries, elderberry and lemon.

Conseil de mariage de mets

Served at 8-10 ° C with fish or seafood dishes, vegetable dishes or with salads.

Vinification

Solaris grapes are handpicked and gently pressed. After 10 h cold maceration the yeast is added. The young wine is racked, cold stabilized, racked once more, stored in steel tank for 12 months and then bottled.
