Weinbeschreibung

Description ALLEGRO Chardonnay is a fruity and complex wine, made from fully matured organic Chardonnay grapes, hand-picked and vinified by modern methods. After fermentation a portion of the wine is aged in oak. The rest gets 4-5 months of contact with the lees. Aromas Youthful aroma, reminiscent of ripe apples seamlessly combined with a light buttery overtone of vanilla oak. Taste Medium-bodied and dry with citrus fresh fruity notes and discreet oak tones.

Speiseempfehlung

Pairs exceptionally well with seafood, tossed salads or try just as an aperitif.
