#### Description du domaine

Dyrehøjgaard, where the brand RÖS is created, has a hundred year old history as a traditional farm on Roesnaes, but today it is mainly a vineyard. Tom Christensen bought the farm in 2007 and planted the first wine plants in 2008. The first two species were mainly Solaris and Cabernet Cortis and selected in corporation with the Staatliches Wineinstitut in Freiburg, Germany. Today the wine area covers around 7 hectares with approx 23.000 plants being the largest wine producer in Denmark. The main varieties are now Solaris, Muscaris, Johanniter and Souvi ...
